COMMAND PERFORMANCE Betty Graham

Obedience results from the LRCP's November match are included in the report of that match.

CONGRATULATIONS and more are in order for Judy Morton, a club member from Raleigh, North Carolina, and her "Superdog"--Ch. Phantomshire's Big Ben UDT. Ben was owner-handled to his Championship and all Obedience degrees and in addition has passed two Advanced Tracking Tests at Oriole and Winston-Salem. Ben was whelped on August of 1969, so has comiled this outstanding record at a relatively young age.

Kendall Herr's Springfield Salad Daze has completed her CDX degree in fine style scoring a 194½ and tie for 3rd place at the Philadelphia show.

Six members have reported degrees earned on Labradors owned by them with a total of 18 degrees--imagine the total if everyone sent such information! Breakdown so far includes: Tracking-4; Utility-1; Open/CDX-5; Novice/CD-8.

Following are excerpts from Sylvia Fisher's letter on the performance of Labradors at the Skyline Kennel Club B-OB Match in December.

"We had 84 dogs entered in obedience and my Bravo's Ebony Trooper CDX was first in Utility. First in Open went to Judy Race's Bravo's Lady Guinevere CD.

"The Labs really took over the Graduate Novice class. Out of an entry of 14, first went to Steve Black and Bravo's Top Boy CD, second place was a yellow Lab I didn't know. Third went to Judy Race and Bravo's Lady Guinevere CD, and fourth was Judy's male, Bravo's Midnite Hunter O'Devon CD.

"The Brace class had two places going to the Labs. First place was Marth Lee Voshell with Ch. Zippers Hustlin Wahoo CD Bawdy Bear of Broad Reach CDX. Third place was Steve Black with Toby and Bravo's Black Witch O'wonwilo.

"In obedience team competition the Lab team came up in first place, Steve Black and Toby, Sylvia Fisher and Trooper, Martha Lee Voshell and Mr. Bear, and Mary Bobbitt with Bravo's Raven of Briarwood CD.

"Mr. Tom Lehman of Hyattsville, whom I met at the LRCP match in the summer, judged Open, Graduate Novice and Team and did a really great job."

Send obedience news to Betty Graham, Obedience Chairman, 11817 Waples Mill Road, Oakton, Va. 22124. Tel. 385-8339.

Received after this column was written was news of two new obedience titles:

Bawdy Bear of Broad Reach CDX, owned by the Voshells  
Springfield Dixie Bell II CDX owned by H. Earle Hudgins  
Congratulations!

### OBEDIENCE TROPHY DONATED

Deborah Kobilis has donated a silver cup to the LRCP to be awarded to the Labrador Retriever Obedience Dog of the Year as determined by the conditions given below. The purpose of the award is not to let the many hours of hard work and devotion that go into obedience training go unrewarded. The format as well as the name (formerly the TOP TEN LABRADOR RETRIEVER OBEDIENCE DOGS) of the OBEDIENCE SCOREBOARD has been changed to include only members of the Labrador Retriever Club of the Potomac. Good luck to all of you who will be competing in Obedience this coming year.

#### Conditions:

Only members of the Labrador Retriever Club of the Potomac will be eligible for the "Obedience Scoreboard" Obedience Dog of the Year award. This award is to be presented annually to the Labrador Retriever receiving the highest total number of points as published in the Obedience Scoreboard column in the Club's quarterly newsletter. The points will be awarded as follows for each score published in the AKC Gazette.

200-199	5 pts.	185 $\frac{1}{2}$ -180	1 pt.
198 $\frac{1}{2}$ -196	4 pts.		
195 $\frac{1}{2}$ -191	3 pts.		
190 $\frac{1}{2}$ -186	2 pts.		

## TROPHY CONDITIONS, concl.

In the event of a tie, the winner shall then be determined by the sum of all published obedience scores that year appearing in the AKC Gazette. If the dogs in question again tie they shall both then be declared winners and the word "tied" shall appear after the owner's name on the trophy. The trophy will be awarded each year at the annual meeting of the Labrador Retriever Club of the Potomac. Before such time the Club will have engraved on the face of the trophy the year in which the award was won (i.e. the 1974 award will be presented at the 1975 annual meeting), the full registered name and any titles of the winning dog(s), and the owner(s) of such dog(s) as contained in the records of the American Kennel Club. The winner shall retain possession of the trophy for one year. In the case of a tie the award shall remain in the Club's possession until the next winner has been selected. The trophy shall remain the permanent property of the Labrador Retriever Club of the Potomac. In the event of the dissolution of the Club the current holder of the trophy, upon notice from the person acting as secretary at that time, shall return the trophy. The secretary shall then turn possession of the trophy over to the American Kennel Club, 51 Madison Avenue, New York, New York 10010.

LRCP SANCTIONED MATCH, September 9

On Sunday, September 9, 1972, at the Isaac Walton League grounds near Gaithersburg, Md. the Labrador Retriever Club of the Potomac had its first B-OB AKC sanctioned match.

Mr. P. Carl Tuttle of Rectortown, Va., judged an entry of 41, giving Best of Breed and Best Puppy to Julie and Elizabeth Crawford's lovely yellow bitch, Shamrock Acres Royal Oak's Joy. The perky little lady came all the way from the 3-6 months class for a very satisfying win for the Crawfords. Best of Opposite Sex went to Deborah Kobilis' Shookstown Brushmaster, a black male.

Mr. and Mrs. Thomas W. Lehman judged the obedience classes in which Greg and Katy Bartoshuk's Monsev Apache of Yellocro from the Novice Class was the highest scoring dog in the trial with a score of 194.

Post match activities were cut short when the bees took over the remains of the hot beef and other lunch leftovers and chased members from the picnic tables. Betty Graham's Birchangreen's Abigail picked up a lost fishing line from the pond, and in trying to get it from the dog's mouth Betty had her finger impaled by a fishhook. She, together the fishhook, ended up in Suburban Hospital, and the second field training day scheduled for that same pond was cancelled. The Board, however, is contemplating a fishing trip for the site.

LRCP SANCTIONED MATCH, November 24

Potomac Lab's second AKC sanctioned B-OB match was held in mild weather under threatening skies on Saturday, November 24. We began outdoors but raced inside when the first dog in the ring heralded a downpour. Judges Gwen Broadley, Ken and Nan Nagler and Erical Isaacson drew a record entry of 116 at this match, which was held at the U.S. Army Reserve Center in Riverdale, Maryland.

It was Mrs. Broadley's first Labrador judging in this hemisphere. The LRCP was most fortunate in having the distinguished owner of the famous "Sandylands" English prefix for the event. Mrs. Broadley was here to judge the Maryland Kennel Club show in Baltimore the day following our match.

Best of Breed was Kendall Herr's lovely yellow bitch, Springfield's Salad Daze, C.D. Best Opposite went to Susan Snead's stately black dog, Whygin Blackberry Jam. Elizabeth Derr's and Janet Churchill's Spenrock Anthony Adverse was selected Best Puppy.

Salad Daze barely missed a double header a bit later in the day as Ken Nagler placed "Dazey" first in Open Obedience. Betty Graham's Birchagreen's Abigail took first in Novice under Nan Nagler and was highest scoring in trial by a 192-191 margin over the Best of Breed entry. No slouch in her own right, Abigail placed first in Novice Bitch class in breed. It was her first time in either an obedience or a show ring.

In other classes, Liz Clark's Eng. & U.S. Ch. Kenbara Jill placed first in Veterans and Janey Churchill notched her

third place in Club Junior competition. A parade of 12 champions and obedience title holders was also one of the highlights of a very successful match.

NEW LABRADOR CLUBS George Bragaw

The membership of the New England Labrador Club, which formerly represented Lab interests in Connecticut and Massachusetts, has voted to divide the club into two local specialty clubs.

The Connecticut portion under the leadership of Everett and Jane Anderson and Peter and Audrey Wolcott will probably be called the Labrador Retriever Club of Central Connecticut. The new name for the Massachusetts portion of the older organization is not known at this writing. If any reader can give us details on the Massachusetts club it will be greatly appreciated. The naming of any new club is, of course, contingent on acceptance by the AKC.

Many new Labrador Clubs are now being formed. Everyone knows of the wonderful success of the Labrador Retriever Club of Southern California. In addition there are the Zia Labrador Club in New Mexico, the Golden Gate Labrador Club in San Francisco and the Rose City Labrador Club in Portland, Oregon. It is understood that other clubs are in existence in Ohio, Wisconsin and elsewhere in the middle west. Anyone who knows anything about these new organizations should send the information to the newsletter editor for our exchange list. The name and address of the secretary or anyone who can give us details on when these clubs were organized and how close they are to AKC recognition will be greatly appreciated.

It was learned just as this edition was going to the printer that the Golden Gate and Rose City Clubs are now eligible to hold sanctioned matches.

Call the veterinarians in your area. Your pet may have been injured and have been taken to a hospital. Talk to your mailman, neighborhood children, meter readers, newspaper boys and other delivery men in your area, showing them a picture of your pet if possible. Put up notices in stores and on telephone poles; ask the local school to announce your missing animal on the public address system. Check "Found" columns daily in the newspapers. Most important--look for your pet. Also check your local highway department; they pick up animals killed on the highway, and some jurisdictions at least retain the tags and collars.
